

# Jackflash fireworks lighting your imagination

Nothing is quite like a Firework Display! We never lose that wonder and excitement that is nurtured during childhood. With the black sky as a backcloth, the multi-coloured rockets soar and burst. The oohs! and aahs! from the audience and the sheer luxury of it all.

**Professionally planned and fired -  
choose from the following displays:**

<b>Mars</b> - 6 minutes - intense	<b>£595</b>
<b>Vulcan</b> - 8 minutes - even bigger	<b>£795</b>
<b>Thor</b> - 10 minutes - blockbuster	<b>£1,000</b>
<b>Valhalla</b> - just awesome	<b>£1,500</b>
<b>Krakatoa</b> - the volcanic one	<b>£2,000</b>
<b>Armageddon</b> - the ultimate	<b>£3,000</b>

All displays are carried out by our trained staff to the highest safety standards. Attention to detail is our watch word!

## **Corporate Displays**

**from £1,500 to £10,000**

We have recently presented shows for Corporate clients such as Mercedes Benz, The Skipton Building Society, The Royal Air Force, Denplan, Windsor Life, The British Army and many more.

The ideal way to mark that special occasion. Celebrations – Anniversaries – Product launches

## **Public Firework Displays**

Whether you are a school, Council, Round Table, or Village Committee, book with total confidence with the knowledge that all our shows include full Risk Assessment, clean up service and £5 Million of Public Liability insurance.

Because of their nature, Public Displays tend to be from 15 to 25 minutes in duration.

Contact us now to discuss your next Guy Fawkes Night Celebration.

## **Sound Sensitive Shows**

These are available if you would prefer to have an exciting spectacular show but are concerned about the louder percussive noises that are sometimes associated with Fireworks.

Ask about CRACKLE ATTACK - £750 or RAINBOW REPORT - £895.

## **Golf Clubs**

Book us with confidence. Our post show clean up will leave the site immaculate.

## **Self Fire Packs**

These 'one pack one fuse' complete displays in a box are highly popular if the budget doesn't stretch to a full professional display. The fireworks come ready fused in modular form with full instructions and safety kit.

If you wish, we will deliver to your door 48 hours before you need them to avoid home storage!

This service is included in the cost!#
